

When using the Blue Shield of California online application for HIPAA-only enrollments, be sure to answer all of the questions in step 3 of the application process (example below). Answers will trigger sub-topics to open and after question 10 select "Issue Guaranteed Issue Plan Only" and below that choose your desired HIPAA plan. This process will eliminate the health history questions and allow you to complete and submit an online Blue Shield of California HIPAA-only application--Dave Fluker (www.davefluker.com)

Based on the response above you are eligible for GUARANTEED ISSUE

Waive Guaranteed Issue and submit my application for the plan I chose.

Issue the Guaranteed Issue Plan only. Since I have chosen this option, I understand that I will not be considered for an underwritten plan. (If you know that you will not qualify for coverage, or do not want to apply for an underwritten plan, check this box.)

Guaranteed Issue coverage at the earliest effective date, so that I am covered during the underwriting process of the individual plan. (I understand that if my application for the underwritten plan is approved, I will automatically be transferred to the underwritten plan. If it is not approved I will continue to receive Guaranteed Issue.)

Issue the Guaranteed Issue plan only if I am not approved for the underwritten plan. (I understand that I will not have any coverage until my application for the underwritten plan is processed and either approved or declined.)
