

**PREMIUM INFORMATION**

We, Health Net Life (HNL) can only raise your premium if we raise the premium for all policies like yours in California. Premiums in this Outline of Coverage will increase periodically due to the increase in your age. Upon attainment of an age requiring a rate increase, the renewal premium for the Medicare Supplement Plan Policy will be the renewal premium in effect for your attained age. You will receive written notification of any changes in payment fees at least 30 days prior to the effective date of the new rate.

**HNL offers various payment options: monthly and quarterly billing and Automatic Bank Draft (ABD).**

The term of your health plan is month-to-month, commencing on the date set forth in the Notice of Acceptance. Your coverage will remain in effect for each month for which premiums are received on or before the date it is due, or within the grace period.

This plan is subject to Guaranteed Renewability.
